

Sterling are one of the longest established payroll companies in the UK. We have a reputation for strong compliance and customer service backed up by accreditations with FCSA, and APSCo.

We are committed to providing contractors with hassle free payment solutions, through quality customer care, market leading technology and reputable compliance.

Our many years of experience have allowed us to build a strong reputation in which compliance and customer service are at the forefront of everything we do, leading to the strong, established client base we have today.
